Public Works Director

October 27, 2020

Subject: Annual Mulching (DSSWA Approved 1 mulching per year not to exceed \$5,000.00).

Start Date: August 3, 2020

Completion Date: September 25, 2020

Justification: The City of Valdosta Public Works Department offers residential yard waste collection as part of their sanitation services. The yard waste must be sent through a grinding process after collection and converted into mulch. The City must source out this service and currently does not receive profit from the end product.

Project: Mulching of collected yard waste

Actual Total Cost: \$7,148.95

Grand Total: \$7,148.95
