

**Project Time Frame:** Please complete the following project timetable to include any project/program milestones and anticipated start and end dates. All awarded funds should be expended within **one** year. Project time frames should include at a minimum the project start date, submittal of **quarterly** reports, and project completion date.

MILESTONE	START DATE	END DATE
Receive award notification from the Deep South Authority		
<b>DSSWA approval of Mulching 1-time per year not to exceed \$5,000.</b>	<b>August 3, 2020</b>	<b>September 25, 2020</b>
Submit final project completion report to the Deep South Authority for final review and reimbursement.		

**Project Description:** Please provide a concise, yet detailed, description of the proposed project/program for which you are requesting grant funds. This description should include a statement of need warranting the proposal and any expected outcomes. (Attach an additional page if necessary):

**This grant was approved by DSSWA for all Authority member City/County for 1-time mulching event per year not to exceed \$5,000.**

**The City of Valdosta Public Works department offers residential yard waste collection as part of their sanitation services. The yard waste must be sent through a grinding process after collection and converted into mulch. The City must source out this service and currently does not receive profit from the end product.**

**Actual Total Cost: \$7,148.95**

**Grand Total: \$7,148.95**
