

Project Time Frame: Please complete the following project timetable to include any project/program milestones and anticipated start and end dates. All awarded funds should be expended within **one** year. Project time frames should include at a minimum the project start date, submittal of **quarterly** reports, and project completion date.

MILESTONE	START DATE	END DATE
Receive award notification from the Deep South Authority		
DSSWA approval of Mulching 1-time per year not to exceed \$5,000.	August 3, 2020	September 25, 2020
Submit final project completion report to the Deep South Authority for final review and reimbursement.		

Project Description: Please provide a concise, yet detailed, description of the proposed project/program for which you are requesting grant funds. This description should include a statement of need warranting the proposal and any expected outcomes. (Attach an additional page if necessary):

This grant was approved by DSSWA for all Authority member City/County for 1-time mulching event per year not to exceed \$5,000.

The City of Valdosta Public Works department offers residential yard waste collection as part of their sanitation services. The yard waste must be sent through a grinding process after collection and converted into mulch. The City must source out this service and currently does not receive profit from the end product.

Actual Total Cost: \$7,148.95

Grand Total: \$7,148.95
