

**Text** Any text appearing in green color represents optional or suggested language that may assist you in explaining or elaborating on how you are meeting the intent of the requirement.

Text appearing within the bordered boxes as well as the black text found within the section descriptions which follow, represent the actual requirements as stated in FTA Circular 4702.1B, or provides information directly related to the requirements.

Certain FTA Circular 4702.1B requirements are very prescriptive and the requirements are defined in great detail. Under these circumstances, it would be redundant to explain the requirements twice (once in the bordered box and then restate again within the general text that would follow). When such circumstances occur, it will be noted within the bordered box and the general text will be deferred to in summarizing the requirement.

Remember, in the context of FTA Circular 4702.1B, some requirements are not always prescriptive and detailed. Some portions of FTA Circular 4702.1B simply obligate the agency to define or develop a policy or procedure to explain how the agency will meet the intent of the requirement. The language the Department has developed in the **green colored text** is optional or example language crafted to assist you in these instances. *You are not required to use it.* Whether you elect to use the optional **green text** is entirely up to you, but please ensure that any green text utilized applies precisely to your agency. Regardless, your policy or procedure must comply with the requirements set forth by FTA Circular 4702.1B. Also, note that this Template is geared towards satisfying the requirements of FTA Circular 4702.1B only. You may have to incorporate additional policies and procedures to meet the requirements of other regulatory agencies, as appropriate. You can also customize the Appendices as needed to supplement the Title VI Plan. The document is provided in a format that is easily editable by the Agencies, a text formatting palette has been provided in the Appendix of the document specifying font type, text size, etc.

This template was created by the Florida Department of Transportation, modified and adopted for use by the Georgia Department of Transportation.
