

requirements and guidelines and make recommendations on any amendments thereto.

(b) provide each member government advice and recommendations upon proposed amendments to its respective zoning ordinance, subdivision regulations, and other ordinances and regulations as requested by such member government,

(c) provide each member government advice and recommendations on such other matters as requested from time to time by such member government.

**Section 8. Conflicts of Interest.** A Commission member shall have a conflict of interest when he or she:

- (a) has a financial interest directly affected by advice or recommendation under consideration by the Commission,
- (b) has a financial interest in any business entity that has a financial interest directly affected by advice or recommendation under consideration by the Commission, or
- (c) has an immediate family member having any financial interest described in subsection (a) or (b) of this section.

Any Commission member having a conflict of interest shall immediately disclose the nature and extent of such interest to the Commission. The Commission member who has such an interest shall be disqualified from discussing and voting upon and shall not attempt to influence the advice or recommendation of the Commission under consideration which gave rise to the conflict of interest.

**Section 9. Meeting Space.** Lowndes County shall provide the Commission a regular meeting room in which to hold its meetings.
