To Whom It May Concern:

I am writing regarding changing the name of Sarah Road. We have been approached by a resident of Sarah Road asking if we would mind having the name of the road changed.

We actually have a Bemiss Road address; we only use Sarah Road to access our driveway. Changing the name of Sarah Road will have no effect on us.

We have no issue with changing the name of Sarah Road, and we support our neighbor in his efforts to change the name.

If you have any questions, please contact me personally at the address listed below or on my cell phone

Thank you for your time.

Sincerely,

A handwritten signature in black ink that reads "Tim Potter". The signature is written in a cursive style with a long horizontal stroke extending to the right.
