Re: Road Name Request

Dear Mr. Fletcher,

The owners have presented a name for the main road, currently labeled as 'Road 1', in The Landings subdivision. They would like for the road to be named 'Landings Circle'. At this time, we would like to request that Lowndes County accept 'Landings Circle' into their infrastructure.

Sincerely,

A handwritten signature in blue ink that reads "Nicholas Clark". The signature is fluid and cursive, with a long horizontal stroke at the end.
