COUNTY ACTION REQUESTED ON: Addition to Basic Decorative Street Lighting District: Coventry Villas
Subdivision

HISTORY, FACTS AND ISSUES: This request concerns a Petition to add 38 lots of Coventry Villas Subdivision into the County's basic decorative street lighting district under the Street Lighting Ordinance. For reference, staff has verified that the Petition is ready for LCBOC consideration, including verifying at least 2/3 of the owners' signatures for the proposed lot additions have been obtained, and testing for financial solvency of the addition. Additionally, notice for the proposed district has been advertised in the VDT and signs have been posted to advertise the public hearing on the Petition. The current charge for the basic decorative street lighting district is \$61.50 per lot per year. Staff recommends adding Coventry Villas Subdivision into the County's basic decorative street lighting district through approval of the attached amendment to the current Street Lighting Ordinance.
