

“Installment Amount” means the amount equal to the monthly installment of principal and interest required to fully amortize the then outstanding principal balance of this Note as of the Amortization Commencement Date at the rate of interest on this Note, on the basis of level monthly debt service payments from the Amortization Commencement Date to and including the Maturity Date.

All payments or prepayments on this Note shall be applied first to unpaid fees and late fees, then to interest accrued on this Note through the date of such payment or prepayment, and then to principal (and partial principal prepayments shall be applied to such installments in the inverse order of their maturity).

At the option of the Lender, the Borrower shall make payments due under this Note using pre-authorized electronic debit transactions, under which the Lender will be authorized to initiate and effect debit transactions from a designated account of the Borrower without further or additional approval or confirmation by the Borrower. The Borrower further agrees to adopt any necessary approving resolutions and to complete and execute any necessary documents in order for the Lender to effect such pre-authorized debit transactions. In the event the Borrower has insufficient funds in its designated account on the date the Lender attempts to debit any payment due hereunder, the Borrower shall pay the Lender a processing fee equal to the Lender's processing fee, as published from time to time in the Lender's fee schedules for each such occurrence (but not exceeding two such processing fees in any calendar month), in addition to any late fee as provided above.

The Borrower may prepay the principal balance of this Note in whole or in part at any time without premium or penalty.

This Note constitutes the Promissory Note issued under and pursuant to and is entitled to the benefits and subject to the conditions of a Loan Agreement (the **“Loan Agreement”**), dated the date hereof, between the Borrower and the Lender, to which Loan Agreement reference is hereby made for a description of the circumstances under which principal shall be advanced under this Note. Reference is hereby made to the Loan Agreement for a description of the security for this Note and the options and obligations of the Borrower and the Lender hereunder. Upon an Event of Default (as defined in the Loan Agreement), the entire principal of and interest on this Note may be declared or may become immediately due and payable as provided in the Loan Agreement.

The obligation of the Borrower to make the payments required to be made under this Note and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Borrower, as provided in the Loan Agreement; and shall be absolute and unconditional irrespective of any defense or any rights of setoff, counterclaim, or recoupment, except for payment, it may otherwise have against the Lender.

In case this Note is collected by or through an attorney-at-law, all costs of such collection incurred by the Lender, including reasonable attorney's fees, shall be paid by the Borrower.
