| Toni Tompkins | | tt82.tt@gmail.com | This is too close to our schools. This makes no sense at all and is not acceptable. There is no reason these guys can't be around children and this shouldn't be allowed. | 6/1/2022 |

| Robert H Langdale | 5470 Old Naylor Road Naylor, GA 31641 | rhlangdale@bellsouth.net | I support the petition for denial of the reasoning request. This facility has the potential to lower the quality of life and to diminish property values for all those near this location. | 6/1/2022 |

| Kirsten Millsap | | kbrmillsap@outlook.com | I live in the area with my entire family and this compound would touch our property. It is something we feel strongly against and do not want this plan to take place | 6/1/2022 |
| Sheree Lark | 2765 New Statenville Hwy Valdosta, GA 31606 | larksc2193@gmail.com | I am against this halfway house off Howell! I have family members, friends and loved ones who live close to this address. A halfway house belongs somewhere else like in an area where there's no schools churches or residential homes! If they are going to provide them homes then they should provide an area where there is nothing around and they should also provide shipments of food and things they need for growing their own vegetables. If they have to garden their own vegetables then their hands and minds will be busy. | 6/1/2022 |
