

would you like your wife, daughter, mother, grandmother sitting at these tracks waiting for a train and the only thing protecting them is their honor system.

If rezoning is approved this will put the facility within 2.2 miles of JL Lomax School, 1.9 miles of Moulton Branch School, 1.5 miles rom New Life Ministries Church and 1.9 miles of Moulton Branch Estates all easily within walking distance from this facility that has the honor system keeping everyone onsite and in line. Redeemed living facilities requires each person accepted to fill out a liability waver releasing Redeemed living Inc. from all accountability from any damage or incidents caused by anybody living at this facility when offsite. All the information in this letter was gathered from zoning meeting or their website.

Thank you for your consideration in this matter.
