COUNTY ACTION REQUESTED ON: Special Assessment Rate for 2024

HISTORY, FACTS AND ISSUES: The Board of Commissioners is required to set the interest rate for any special assessments at the beginning of each calendar year. This rate is for any paving or utility assessments that are not paid off within the initial 90-day phase. Unpaid assessments revert to installment agreements which are to be paid off over a period of up to ten years. The rate is based on the current prime rate plus two (2) percent. The prime rate is the interest rate charged by banks when they lend money to other banks, or the "prime" customers. Most American banks and credit unions use this index as the foundation for their loan products. The current prime rate is 8.5%; therefore, the rate for special assessments should be set at 10.25% for 2024. The rate for 2023 was 9.5% and for 2022 was 5.25%.

OPTIONS: 1. Adopt the Special Assessment Rate of 10.25% for 2024.
2. Board's Pleasure

RECOMMENDED ACTION: Adopt
