

My name is Dawn Casteen Carter. I previously had my single-wide mobile home on the property at 3581 Deerfield Rd until I got married over 4 years ago and moved to Brooks County. I will be needing to move my mobile home back to this property and Lowndes County has changed the zoning only allowing a double-wide. I would appreciate your signature stating you have no objection allowing my single-wide back in this neighborhood so me and my daughter will have a place to live. Thank you for your support.
