**SUBJECT: Notification of Permit by Rule Operation
Deep South Sanitation, LLC
Lowndes County – PBR-092-46TS**

Dear Mr. Scarborough:

The Solid Waste Permitting Unit received your notification for a transfer station operation on October 30, 2017 which will allow the transfer of solid waste from 205 Tucker Road, Valdosta, Georgia in Lowndes County to a permitted facility.

Your transfer station operation shall be deemed to have a solid waste handling permit by rule if this operation complies with Section 391-3-4-.06(3)(b) and conditions:

1. Solid waste shall be confined to the interior of the transfer station, and not allowed to scatter to the outside. Waste shall not be allowed to accumulate, and floors shall be kept clean and well-drained.
2. Sewage solids shall be excluded from the transfer station.
3. Dust, odors, and similar conditions resulting from transfer operations shall be controlled at all times.
4. Rodents, insects, and other such pests shall be controlled.
5. Any contaminated runoff from washwater shall be discharged to a wastewater treatment system and, before final release, shall be treated in a manner approved by the Division.
6. Hazardous Waste: No person owning or operating a transfer station shall cause, suffer, allow, or permit the handling of regulated quantities of hazardous waste.
